Newsletter 11  
10<sup>th</sup> March 2017

## Headteacher's Awards

Congratulations to the following children who have received Headteacher's Awards this week:

Year 6 – Zoe, Ollie

Year 5 – Aaron, Harry, Alice, Ayan

Year 4 – Milly, Max, Sajan

Year 3 – Elodie, Yanting

Year 1 – Elena

One of our year 3 girls has asked me if we can support the Brain Tumour Research charity this term because of a personal link to someone with the condition. We will be taking part in their Wear a Hat day on 31<sup>st</sup> March. The children will be wearing normal school uniform but can top it off with a hat of their choice for a £1 donation.

## Parent Consultations

During parent consultations, teachers will be speaking to you about age related expectations. They will be explaining whether your child is at, above or below age related expectations for each of the core subjects. There will be no reference to levels. Appointment times will be coming home shortly.

## Foot hygiene

If your child has a verucca please inform their class teacher and ensure your child is treated with a sealing gel treatment or wears either a waterproof plaster or (ideally) a special verucca sock to help stop the veruccas spreading to other children during indoor PE sessions.

## Recycling

Thank you to everyone who uses the clothes recycling bin. We have recently made a donation of £43.10 to the Salvation Army for this collection.

Our prize winning book corner from Nursery.

## School Funding

Thank you to those of you who have responded to the recent letter that went home. Please do take some time over the weekend to consider the issues raised in the letter about our school budget and return your response form to the office. This will help me immensely as I continue to discuss this issue with the Governors and plan our response to these challenges.

## Walk to School Day

Well done to all those children who made a special effort and walked to school today. Unfortunately due to staff sickness, the traffic survey was postponed until next Friday. But we had an assembly this morning talking about this issues

## Book Week

We had such a good week during Book Week. From a fantastic author visit to lots of paired reading and writing across the school, not forgetting all the amazing costumes on World Book Day! Do have a look at the blog for more details and

## School news

Year 5 were fantastic during the 'Quick sticks' competition at Rickmansworth High School. They played against three local schools. Well done to everyone who took part and those who got through to the next round.

Members of our school choir and orchestra took part in the Riversmeet Music Festival on Tuesday evening at Clement Danes School. It was lovely to see so many of our year 6 enjoying their last concert for Harvey Road.

Thank you to everyone who visited our book fair and bought books. We will let you know how much we have raised as soon as it is confirmed.

Our School Council had a wonderful day visiting the Houses of Parliament with me on Tuesday. We also enjoyed a brief chat with David Gauke MP.

## Governor Open Day

We are holding our termly Governor Open Day next Thursday. Governors will be spending time in all classes and chatting with children. If you have any questions or matters you wish to discuss with a Governor, Rev Miriam will be available at the end of the day. Best wishes, N Rowlands
