### Road Safety Day

Our joint school road safety day is being re-scheduled to after half term. I have announced a road safety and walking to school leaflet competition in assembly today, more details will follow next week. We have plans for our year 6s to monitor road safety and talk to parents around the school gates on that day, along with taking traffic surveys. I hope it will reinforce our constant message both to children and parents about the importance of road safety when travelling to and from school and considerate parking.

### School Council

## Disco

Thursday 2<sup>nd</sup> February  
3.30-5.30pm

Tickets are selling well for the Disco. The actual ticket will be given to the children on the day of the Disco as they will need these to get their drink and snack.

### Celebrating Progress Morning

Our next open morning focussing on celebrating the children's progress is taking place on Tuesday 7<sup>th</sup> February. All parents are invited into class after drop off to look at their child's work. The session will run from 9-9.30am.

The sessions were arranged in response to parental requests to have more frequent updates about your child's progress.

## School news

What a fantastic day our school choir had at the O2 last Friday. You can see from the picture below what a big event it was. The children were fantastic and loved taking part. Thank you to Mrs Jones, Mrs Rogers, Mrs Jenner, Mrs Lardner and Rev Miriam who accompanied them.

Class 3 spend the day at the Verulamium Museum in St Albans as part of their Roman history studies. There are lots of great photos on their class blog.

Our infant classes enjoyed a drama workshop this week with the Perform drama company. They were looking at Fairy Tales and exploring enchanted forests with the Funky Fairy!

## Nursery admissions

Applications for nursery places for September 2018 open on 6<sup>th</sup> February via the Herts Direct website. We are currently offering tours to prospective parents. If you know anyone who is interested in starting school at Harvey Road, please advise them to contact the school office and book onto a tour.

## School uniform

Could I remind you that I do expect children to be wearing correct school uniform every day. Patterned socks and trainers are not permitted. All shoulder length hair should be tied back with simple hair accessories and nail varnish should not be worn. Thank you for your support with this.

## Staff news

This week we have welcomed a new Midday Supervisory Assistant, Mrs Campbell to the staff team. She is enjoying getting to know the children and will mainly be working with the infants.

Best wishes,

N Rowlands
