# New maths curriculum

- More challenging – raised expectations
- 3 aims:
  - Fluency
  - Reasoning
  - Problem solving

Each line of three numbers must add up to 12.  
Can you find two other ways to do it?

# Mystery clues

# Maths in the everyday

# And finally...

Think of any number from 1 - 9

Multiply by 9

Add the digits

Add 4

Subtract 9

Convert your answer to a letter (A=1, B=2 etc)

Think of a European country beginning with that letter

Take the second letter of your country

Think of a mammal starting with that letter

Think about its colour...
